~~CONFIDENTIAL~~

2 November 1954

MEMORANDUM FOR: Colonel White
SUBJECT : Interim Assignment Branch Details

25X1A9a 1. You will recall from the attached resume, dated 1 July 1954, the matter of the extended details of Messrs. [REDACTED] on IAB rolls.

25X1A9a 2. I checked with [REDACTED] today, and he tells me that [REDACTED] is now officially assigned to Classification and Wage Division, Office of Personnel, and has been since August.

25X1A9a 3. The matter of Mr. [REDACTED] stands that he cannot be transferred to Logistics unless and until a vacancy in the courier ranks shows up there. Mr. [REDACTED] seemed to be a little hazy about whose responsibility it was to save the next available courier slot for [REDACTED]. You may want to ask [REDACTED] to look into this aspect of the [REDACTED] transfer.
